Dear Father Stone:

This letter refers to your latest extension of Minister's Permit valid until 24 January 1986. It is with regret that I must inform you that no further extension will likely be approved. Thus, I would ask you to make the necessary arrangements in order that you will leave Canada by the latest, the 24th of January, 1986.

Hoping that this will not cause any inconveniences.

Have a nice day,

Fern LeBrun
