June 14, 1982.

To whom it may concern:

This will certify that Reverend Carl Stone has been asked by the undersigned to be chaplain at St. Joseph's Villa in Cornwall. He is exercising this important pastoral ministry among the elderly with competence and priestly zeal.

I would request that he be cleared by Immigration to continue his work among us.

Should you require any further supporting documentation, I shall be pleased to cooperate.

Sincerely yours,

Eugene P. LaRocque,  
Bishop of Alexandria-Cornwall.
